Unrelated empty	H00181	16160	830768	16-Apr 00:36	Different haulier

CRITICAL FINDINGS:

- 1. **Haulier 12276** picked up the full import container on truck **T20640** on **11 Feb 2026 at 08:39**. This company delivered the paper to a warehouse in Dubai. Empty returned next day by same haulier.
- 2. **Haulier 27108** picked up a **full export** container on **13 Feb 2026** — 2 days after import. This strongly suggests the paper was reloaded for re-export within 48 hours.
- 3. **FFAU7343679** was transshipped ship-to-ship — cargo may have been re-exported directly by sea without ever leaving the port.
- 4. To identify the trucking companies behind haulier codes **12276** and **27108**: Dubai Trade Contact Centre **600 555 554**, DP World **04 881 5555**, or Dubai Police Economic Crime Unit.
- 5. **EIR No. 800239** is the Equipment Interchange Receipt — signed proof of handover naming the receiving company and driver.

robert@sdeventmanagement.co.uk is a fabricated email. The domain was never registered. Someone created this address to impersonate SD Event Management Limited. The real directors (Simms, Dougan, Farquharson) are not associated with Robert Bisaka in any public record. “Bisaka” is a Central/East African surname (Uganda/DR Congo), consistent with the FDZ trade corridor to Congo, Cameroon, and Tanzania identified in container tracking.

22. SUPPLY CHAIN + FRAUD FLOW

MANUFACTURING CHAIN (legitimate):

Step	Entity	Action	Location
1	Sun Paper (002078.SZ, \$6B public company)	Manufactures art board	Yanzhou, Shandong
2	Hifong-Bonpak (domain created May 2025)	Coats / processes	Fujian

4	Sure Paper For Paper Trading (HK, CR 3247412, inc. March 2023)	Shipper on Bill of Lading	Wan Chai, Hong Kong

SHIPPING CHAIN (this is where the fraud occurs):

Step	What Happens	Entity Involved
1	Sure Paper (HK) ships from Qingdao	Maersk Booking 263545393, 8 FCL containers art board
2	Cargo arrives at Jebel Ali, UAE	Port of Discharge
3	FDZ Logistics LLC clears customs and takes physical possession	Franklin Sequeira, licensed customs broker

Sure Paper	“Introduced” SD Event Management as buyer — acting as agent
SD Event Management	Was NEVER on any email communications — never ordered goods
FDZ Logistics	“Just” the freight forwarder — but took physical delivery and holds/sold the cargo
All parties	Stopped responding when AR went delinquent
Sun Paper + Sure Paper	May still be communicating with each other (unconfirmed)

23. FDZ LOGISTICS — FULL IDENTITY (Archive.org)

Managing Director: FRANKLIN RUBEN SEQUEIRA

From 2018 archived website (confirmed identical through Dec 2024):

Field	Value
Full name	Franklin Sequeira
Role	Managing Director
Phone	+971 55 320 0075
Email	franklin@fdzlogistics.com
Office (2018)	Al Fajer Building Complex, Oud Mehta, Dubai, UAE

Staff changes over time: - 2018: Sales Executive — Rafi Ahmed (+971 56 408 7737, ops1.dxb@fdzlogistics.com) - 2024: Sales Executive — Sainudheen K (+971 50 875 1098, ops2.dxb@fdzlogistics.com)

NOTE: The BL used “Franklin Ruben” (middle name) + a Gmail (franklinruben90@gmail.com) rather than his corporate email (franklin@fdzlogistics.com). This is either informal practice OR deliberate separation of this transaction from the company’s main communications.

24. FDZ LOGISTICS — US CUSTOMS RECORDS

FDZ Logistics LLC also ships luxury vehicles internationally:

Date	Cargo	Origin	Destination	Consignee
2026-02-28	Toyota Land Cruiser (black)	Rotterdam	New York	Jean Robert Jean Baptiste
2026-02-28	Toyota Prado (black)	Rotterdam	New York	PALAIS NATIONAL
2024-2025	Toyota Fortuner/Prado/Hilux	Tangier, Morocco	Newark, NJ	Various

RED FLAG: “PALAIS NATIONAL” is the Presidential Palace of Haiti. Shipping luxury vehicles from Dubai/UAE via Rotterdam to the Haitian Presidential Palace is an extremely unusual routing and warrants further investigation for sanctions, PEP, or corruption nexus.

PHOTO-2025-10-17-17-30-03.jpg	Maryland Good Standing certificate	CRITICAL — WRONG COMPANY
DeepDive_SD_EVENT_MANAGEMENT_LIMITED.pdf	COPAP CIR #57 (08 Apr 2026)	Rated MEDIUM-HIGH risk

25.2 Maryland Certificate — Wrong Entity

The photo labeled “Annex A” is a Maryland Department of Assessments and Taxation Good Standing certificate for:

Field	Value
Entity	DIMENSIONAL INVESTMENT GROUP INC.
Department ID	D02980357
Incorporated	March 19, 1990
Certificate date	December 12, 2024
Signed by	Daniel K. Phillips, Director
Auth code	tj4KdRYs30uYOcXXaX1tRw
Verify URL	http://dat.maryland.gov/verify

Dimensional Investment Group Inc. is an SEC-registered open-end management investment company (CIK 861929), part of Dimensional Fund Advisors LP — a \$700B+ global asset manager headquartered in Austin, Texas. LEI: 549300HU43AV2FC6L876. It has ZERO connection to SD Event Management, Belfast entertainment, or paper trading.

Assessment: This is either: - Document fraud — an official certificate for a legitimate but unrelated entity was included to add credibility to the onboarding package - Deliberate misdirection — the name “Dimensional Investment Group” could mislead a compliance officer into believing institutional backing exists

CRITICAL QUESTION: Who provided this document? The person who assembled the onboarding package knowingly or unknowingly included a fraudulent supporting document.

25.3 Financial Statement Analysis (3 Years)

Accountants across all 3 years: Baker Tilly Mooney Moore (17 Clarendon Road, Belfast BT1 3BG — a legitimate, major accounting firm)

Balance Sheet Trend:

Line Item	31.12.20	31.12.21	31.12.22	31.12.23
Fixed assets	£9,434	£6,240	£75,694	£93,367
Debtors	£411,494	£672,311	£1,148,286	£1,743,258
Cash at bank	£292,535	£1,022,128	£1,181,707	£3,032,088
Total current assets	£704,029	£1,694,439	£2,329,993	£4,775,346
Creditors <1yr	£159,985	£835,407	£1,313,956	£2,715,087
Creditors >1yr	£0	£(34,828)	£0	£0
Provisions	£(1,792)	£(1,185)	£(14,382)	£(23,342)
Net assets	£551,686	£829,259	£1,077,349	£2,130,284
Retained earnings	£551,586	£829,159	£1,077,249	£2,130,184
Implied annual profit	—	+£277,573	+£248,090	+£1,052,935

Key observations:

- This is NOT a micro-entity.** Balance sheet total of £4.87M (2023) vastly exceeds micro-entity thresholds (£316k). They file under small companies regime (threshold £5.1M).
- Explosive growth in 2023:** Net assets doubled (+£1.05M profit), cash tripled to £3M, debtors up 52% to £1.7M. This coincides with Belsonic/Emerge festivals scaling up (£30.8M economic impact per Belfast City Council).
- High debtors (£1.74M):** Normal for events (advance ticket revenue owed by platforms, sponsor receivables). BUT this means the company is accustomed to managing large receivables — which makes the COPAP order (£160k/\$200k) less unusual as a percentage of their book.
- High creditors (£2.72M):** Normal for events (deferred revenue from advance ticket sales, artist fees payable). The company carries significant liabilities.
- Director changes:** 2021-2022 shows A Simms as sole director. By 2023, Farquharson and Dougan added (Oct 2023). Two signatures on 2023 accounts (Simms + Farquharson).
- Address change:** 2021-2022 at 17 Clarendon Road (same building as accountants). By 2023 moved to Suite 6, Alexander House, 17a Ormeau Avenue, Belfast BT2 8HD.

25.4 CIR Report Key Findings

The COPAP CIR report was produced a month before this investigation and correctly identified:

- **Risk: MEDIUM-HIGH**
- **Complete sector mismatch** — SIC 93290 (entertainment) vs paper/pulp/PVC
- **Order = 80% of estimated revenue** — 197 pallets C2S Art Board 250gsm valued at \$160,118
- **100% AR outstanding** — \$163,320 unpaid, zero payments received
- **No prior trading history** with COPAP
- **No import/export records** found in any customs database
- **All sanctions screenings CLEAR** across 10+ databases
- **Recommended HOLD** on further shipments
- **Recommended verification** of ordering individual’s authority

25.5 Additional Red Flags (from onboarding docs)

#	Flag	Severity
15	Maryland certificate for Dimensional Investment Group (SEC fund) included as “Annex A” — NO connection to SD Event Management	CRITICAL
16	Company provided 3 years of financials showing £2.1M net assets — contradicts “micro-entity” narrative, but order still makes no commercial sense for an events company	HIGH
17	CIR #57 recommended HOLD and verification in April — unclear if recommendations were followed before goods shipped	HIGH
18	Income statements deliberately not filed (Section 444 exemption) — revenue/costs hidden from public	MEDIUM

25.6 Revised Questions

- WHO provided the Dimensional Investment Group certificate?** This is the smoking gun for document fraud.
- WHO placed the COPAP order?** Was it someone claiming to be from SD Event Management, or was it routed through Sure Paper / FDZ?
- Were the CIR #57 HOLD recommendations acted on?** If goods shipped AFTER the April 8 report, internal controls failed.
- What was the order date vs CIR date?** CIR says order placed 22 January 2026 — the CIR was done April 8, nearly 3 months later. Were goods already shipped by then?

26. FDZ LOGISTICS — UAE REGISTRATION VERIFICATION

26.1 Dubai Trade License Search

Search: “FDZ” across all Dubai licensing authorities

Result	License	Authority	Entity	Status
F D Z LOGISTICS L.L.C	BB7882 / No. 791511	DET (Department of Economy and Tourism)	Mainland Dubai LLC- Single Owner	ACTIVE (expires 2026-10-03)
FDZ Trading L.L.C-FZ	DE4269 / DUL 2305924.01	Meydan City Corporation (MCC)	اف دي رد للتجارة	Free zone entity (separate)

FDZ Logistics LLC is a confirmed, active, licensed Dubai mainland company with customs broker authorization. Initial search returned no results because the portal required searching “FDZ” broadly (10,000+ results); the license was located under License ID BB7882.

26.2 UAE VAT / TRN Verification

TRN searched: 100330886100003 (from Bill of Lading — note: BL printed as 1003308861000003, extra zero)

Field	Result
TRN	100330886100003
Name	F D Z LOGISTICS L.L.C

CONFIRMED: FDZ Logistics L.L.C is a valid VAT-registered entity in the UAE. The TRN is active and returns the legal name. The entity would have been able to clear customs at Jebel Ali under this registration.

26.3 Verification Assessment

Claim on BL	Verified?	Finding

Expiry	3 October 2026
Issuing Authority	Department of Economy and Tourism (DET) — mainland Dubai
Legal Type	LLC - Single Owner (100% owned by one person)

Licensed activities (all active): 1. Cargo Loading & Unloading Services 2. Cargo Packaging 3. Cargo Containers Rental 4. Containers Loading & Unloading Services 5. Sea Shipping Lines Agents 6. Sea Cargo Services 7. **Customs Broker**

26.5 Implications

- 1. **FDZ Logistics is a legitimate, licensed Dubai company** — mainland DET, active since 2017, valid customs broker license.
- 2. **LLC - Single Owner** — Franklin Sequeira is the 100% sole owner. No partners, no board.
- 3. **Customs Broker license** — FDZ cleared the 8 containers at Jebel Ali themselves. They took physical possession of ~200 tonnes of art board.
- 4. **FDZ Trading L.L.C-FZ (Meydan, license DE4269)** — separate free zone entity, possibly a second company under the same principal for trading activities vs logistics.
- 5. **The company is real, the person is real, and they have the goods.** This is not a phantom entity — it’s a licensed freight forwarder that received cargo and stopped communicating.
